CLUB INDIA

Club India is my tribute to the rich, diverse and ever-evolving story of Indian cuisine. After years of working in some of the most respected kitchens across India and the UK, I wanted to create something that felt both rooted in tradition and open to new ideas. A place where food brings people together, stories are shared, and hospitality is heartfelt.

Many of the dishes on this menu are inspired by my own culinary journey and cultural roots, and I'm honoured also to include a few signature creations from my dear friend Chef Srijith Gopinathan – a two-Michelin-star chef from San Francisco whose approach to flavour and finesse continues to inspire me.

Thank you for joining us on this new adventure in Wokingham.

A handwritten signature in black ink, reading "Ananish Roy". The signature is fluid and cursive, with a large, stylized 'A' and 'R'.
